

SCHOOL FUND

Alwyn Infant School has a voluntary School Fund which helps provide further support for many of our school activities. The money donated is additional to the Government's funding and enables us to enhance the education we offer your children.

School fund is an entirely voluntary contribution allowing us to pay for extras in school which really add to the curriculum making it even more exciting and enjoyable. In previous years your kind and generous contributions funded:

- ☺ Class Christmas activities
- ☺ Teddies Music Club
- ☺ Wildlife Show
- ☺ Farm visit
- ☺ Caterpillars
- ☺ Visiting poets and authors
- ☺ Living Eggs hatching programme (chicks)
- ☺ Visiting artists
- ☺ Circus skills workshop

As a general guide, we would suggest an annual donation of £20.00 per family. We do, of course, appreciate that some may wish to give more and some may feel unable to contribute. We stress we are very grateful for every donation, however small, and for the various other forms of support our parent body provides.

You can make donations using the online payments function in My Child At School (MCAS). Using MCAS you can choose to pay any amount between £1 - £20 at any time during the school year.

Please remember this is entirely voluntary.
